TECHNICAL EVALUATION		MENTALITY	
<i>Defensive skills were not tested adequately on the observed match. Seems slightly anxious under pressure. Movement not agile enough. Participates in ball movement and circulation.</i>		<i>1v1 duels were not adequately tested. Concentrates, reads the game well. Communicates with his teammates, only overlaps whenever there is enough support behind him.</i>	
TACTICAL EVALUATION		PHYSICAL ATTRIBUTES	
<i>Tactically disciplined supportive full-back who prefers to stay back. Goes forward to offer width whenever a teammate shows up to cover the space behind him. He positions himself to support & protect his team's rest-defence structure.</i>		<i>Strong full-back with above-average height, good pace and acceleration.</i>	
SUMMARY & RECOMMENDATION		ABILITIES & POTENTIAL	
He is a defensive-minded full-back. His team's significant dominance limited his opportunities to showcase defensive skills and 1v1 ability.		Current Ability:	NB III First Team Player
		Potential Ability:	NB II First Team Player
