Transfermarkt		Match observed:	Croatia v Hungary 3-1
SofaScore		Competition:	UEFA U21 EURO-Qualifiers
MLSZ Adatbank		Date:	26/09/2026
TECHNICAL EVALUATION		MENTALITY	
Technically sound attacker, strong in aerial duels and effective with his back to goal. Uses a good first touch and intelligent passing to bring teammates into scoring positions.		Composed and intelligent player with strong anticipation. Presses with discipline and consistently shows good work rate and teamwork. He can become visibly frustrated with teammates sometimes.	
TACTICAL EVALUATION		PHYSICAL ATTRIBUTES	
Tactically advanced player who understands and leads pressing movements well. Anticipates danger, reacts quickly, and recovers possession through intelligent positioning and reading of passing lanes.		Solid strength allows him to compete effectively in both aerial and ground duels. Possesses decent pace, acceleration, and agility for his height.	
SUMMARY & RECOMMENDATION		ABILITIES & POTENTIAL	
High-ceiling young target man with the potential to develop into a top-level striker. Tactically mature, mentally composed, physically strong, intelligent, and technically gifted. Continuous monitoring is recommended.		Current Ability:	Eredivisie Squad Player
		Potential Ability:	UEL/UCL First Team Player
