PROFILES		CONTEXT	
Transfermarkt MLSZ Adatbank		Match observed:	Hungary - Lithuania
		Competition:	International Friendly U16
		Date:	13/10/2026
TECHNICAL EVALUATION		MENTALITY	
<i>Right-footed target man who contributes effectively to build-up play through sound passing, chance creation and accurate crossing. First touch remains a development priority.</i>		<i>Determined, tenacious team player with a strong work ethic. Shows persistent commitment to unsettling opposing defenders and supporting his teammates.</i>	
TACTICAL EVALUATION		PHYSICAL ATTRIBUTES	
<i>Effective target man who links play with his back to goal, occupies defenders and creates space for teammates. Presses with intensity and purpose.</i>		<i>Strong and quick, with good acceleration. Showed signs of fatigue after 60 minutes before being substituted in the 66th; stamina remains a development priority.</i>	
SUMMARY & RECOMMENDATION		ABILITIES & POTENTIAL	
Malomsoki's performances suggest he is ready to be tested above U16 level. Opportunities in U19 football could provide a valuable development challenge. Continued monitoring is recommended to assess his adaptation to higher demands.		Current Ability:	Hungary U16 League
		Potential Ability:	Hungary U19 League from January
